

PSAS <www.psas.pdx.edu>  
 Fin Jig Clamp  
 v1.1 3/03/03  
 Dimensions in inches

Notes:  
 Material Aluminum 6061-T6 or similar  
 0.196 holes thread 1/4-20  
 Two holes have been counter bored 1/4 to make them better locating holes. This is probably unnecessary.
